

ICRSG 2023

Prague, Czech Republic | March 29-31, 2023

2023 International Conference on Remote Sensing and Geographic Information will be held in Prague, Czech Republic during March 29–31, 2023.

We warmly welcome prospected authors submit your new research papers to ICRSG 2023, and to share your latest research results and valuable experiences with other top-scientists, engineers and scholars from all over the world.

IMPORTANT DATES

Submission Deadline
Jan. 30, 2023

Acceptance Notification
Feb. 25, 2023

Registration Deadline
Mar. 05, 2023

CONFERENCE PROGRAM

March 29, 2023
Onsite Sign-in and Collect
Conference Materials
Online Zoom Test

March 30, 2023
Morning: Opening Remarks &
Keynote Speeches
Afternoon: Technical Sessions

March 31, 2023
Online Technical Sessions

Contact

Conference Secretary:
Wendy Lee

Email: icrsg@outlook.com

Tracks

Track 1 - Geographic Information

- Earth Detection and Information Technology
- Geohazards & Earthquake engineering
- The Development and Application of Geographic Information Technology in Geographical Environment/geology/rock and Soil, Mineral and Energy Resources
- Global Navigation Satellite System
- Satellite Navigation and Positioning

Track 2 - Surveying & Mapping

- Surveying and Mapping
- Marine Mapping
- Photogrammetry
- City Brains, Smart Oceans and Digital Earth
- Hydrological Survey
- Mine Survey
- Engineering Survey
- Gravity Measurement
- Aerial Photogrammetry

Track 3 - Remote Sensing Technology

- Theories, Techniques and Methods related to Surveying, Mapping, Navigation and Oblique Photography
- Microwave Remote Sensing
- Remote Sensing Of Atmospheric Environment
- Planetary Remote Sensing and Mapping
- Cryosphere and Hydrosphere
- Geographic Information Science

Publication

Submissions to the conference will be peer reviewed and accepted papers of ICRSG 2023 will be published in the International Conference Proceedings.

Submission Requirements

- Manuscripts must be written in English
- Submission should be 4 full pages at least and within 12 pages; abstract (200–300 words, for presentation only);
- Innovation and scientific value is a must;
- The manuscript should be written in accordance with the standard of template;
- The topics of paper should be relevant to conference topics;
- Plagiarism is prohibited;
- Duplicate submission is prohibited.
